

## **Privacy Policy**

This Privacy Policy describes how Untapped Software ("we", "our", "us") collects, uses, and protects your personal information. We may collect personal data such as your name, email address, phone number, and project details when you contact us or use our services. We use this information to provide and improve our software development agency services, communicate with you, and comply with legal requirements. We do not sell or rent your personal data to third parties. We may share information with trusted partners who assist us in operating our business, provided they agree to keep this information confidential. By using our website and services, you consent to the terms of this Privacy Policy. If you are located in the European Union, you may have rights under GDPR, including the right to access, correct, or delete your personal data.

## **Terms of Service**

These Terms of Service govern your use of our website and services. By accessing or using our services, you agree to be bound by these terms. You agree to use our services only for lawful purposes and in accordance with applicable laws and regulations. We reserve the right to modify or terminate our services at any time without notice. We provide our services "as is" and make no warranties, express or implied, regarding the reliability, availability, or suitability for a particular purpose. To the fullest extent permitted by law, Untapped Software shall not be liable for any indirect, incidental, or consequential damages arising from your use of our services.

## **Disclaimer**

The information provided on our website is for general informational purposes only. While we strive to keep the content accurate and up-to-date, Untapped Software makes no representations or warranties of any kind about the completeness, accuracy, reliability, or availability of the information. Any reliance you place on such information is strictly at your own risk.

## **Cookie Policy**

We use cookies and similar tracking technologies to enhance your experience on our website. Cookies are small data files stored on your device that help us understand website traffic and usage patterns. You can choose to disable cookies in your browser settings, but some features of the site may not function properly.
